Integration of SCP into Tourism Policies

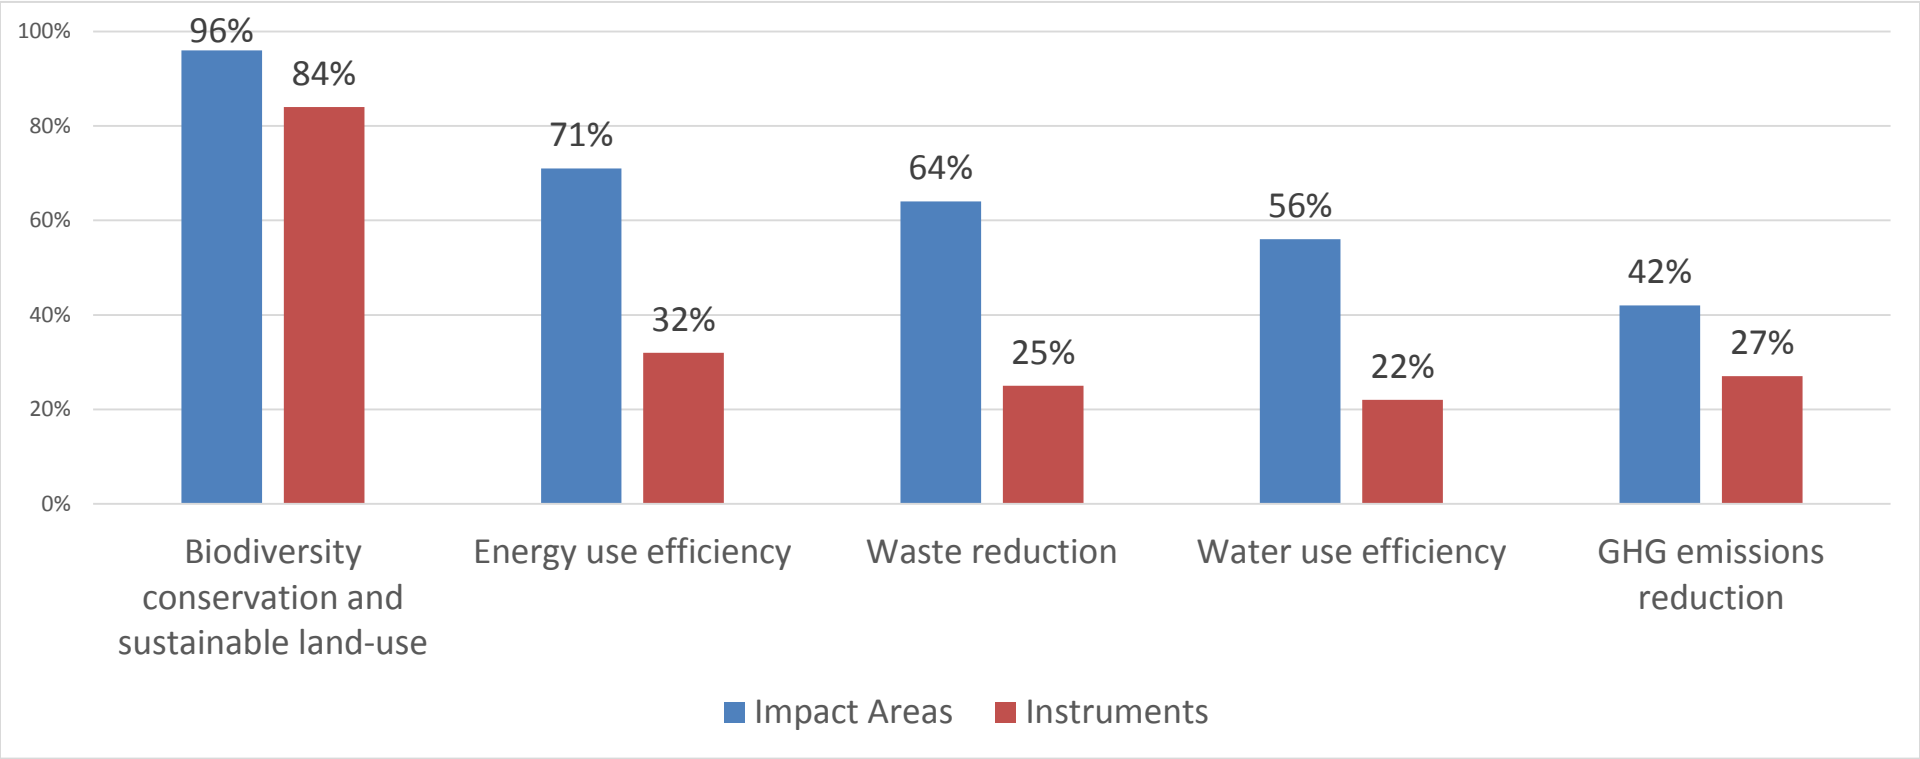
101 Countries covered

100% refer to sustainability
55% make detailed references

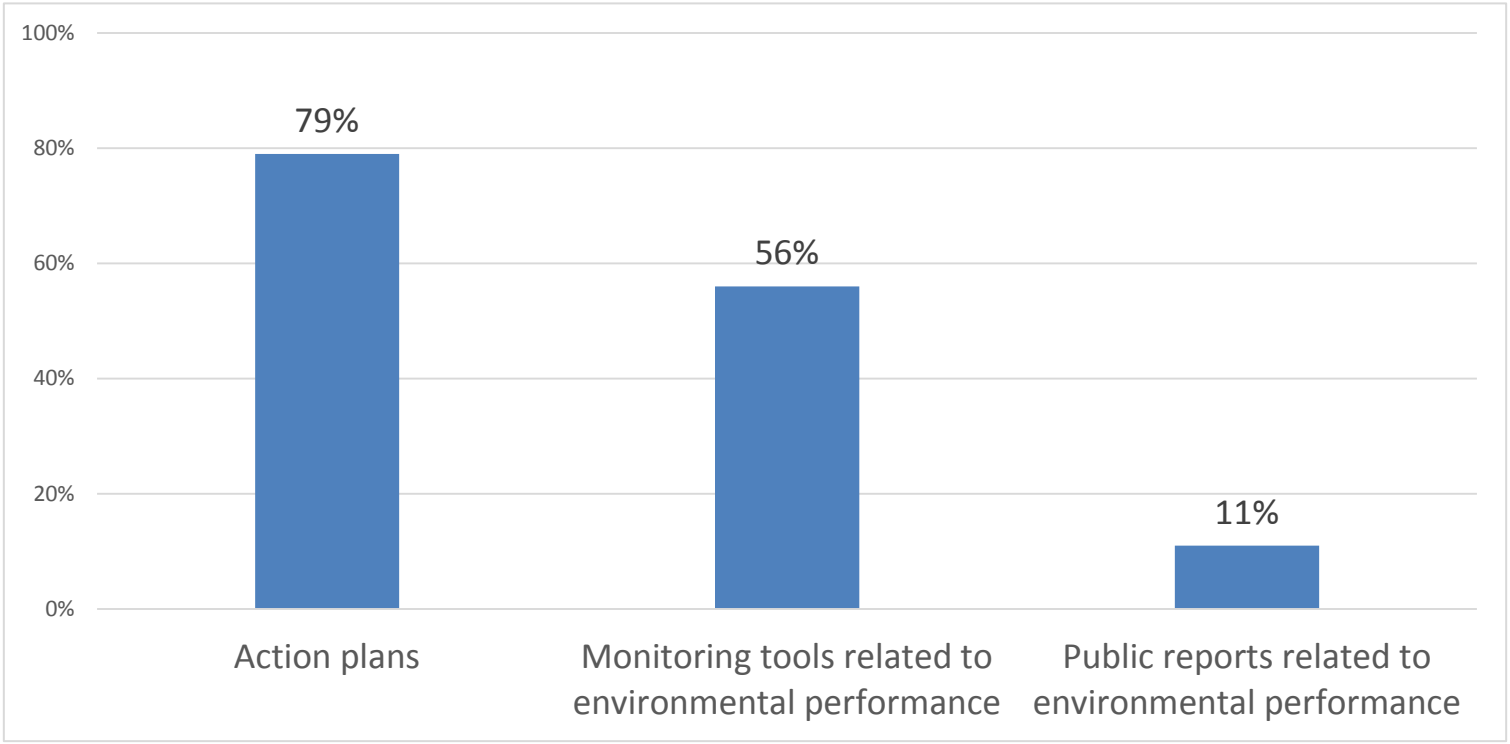
64% connect sustainability to competitiveness

Countries that place tourism high in the national agenda have policies with a stronger commitment to sustainability

References to policy instruments on SCP



Implementation and Monitoring



Improving governance for SCP

- **Long term national tourism planning** and **participatory processes**
- **Predominance of the economic angle**
- Absence of **evidence on progress achieved**
- **Implementation gap?**

Recommendations

- The SDGs as a framework to align actors across sectors and borders on policies and actions
- Outline SCP policy instruments
- Regular and timely measurement as a key element of the implementation of sustainable tourism policies
- Incorporate georeferenced data

Thank you!
